Children's Ministries

A training session will be held today after the service for anyone who has volunteered to work in Children's Church and the nursery. We will meet in the Children's Sanctuary to go over the schedule and how the material will work. We would love to see everybody and help answer any questions you might have.

District Celebrate Life

District Celebrate Life (DCL) is an annual Nazarene youth event where teens are given the opportunity to showcase their God-given talents and compete to go to Regional Celebrate Life (RCL) at Olivet Nazarene University in May. The first portion of the money and all paperwork are due October 1st for teens to be able to go to the event on October 28th. If you know a teen who would like to participate or if you would be willing to sponsor a teen, please see Michelle Biehle or Carolyn or Cody Jones.

Crisis Care Kits

We are in desperate need for crisis care kits due to the natural disasters that have happened recently. The Nazarene Compassionate Ministries warehouses are completely depleted of all kits. Two-gallon plastic bags and shopping lists will be handed out to be filled with crisis care kit items on the list. Please bring in completed kits or requested items to add to kits by Sunday, October 15th. Please note, that only the specific items and sizes listed on the shopping list can be used.
